

ASCORP

◆ A history ◆

Asphodel Press Incorporated is an esoteric bookstore and publishing company founded by Autumn Hawk Percival in 2025. Asphodel Press Incorporated or ASCORP, is a company that sells academic texts and booklets written by Autumn Hawk Percival as well as shadow integration decks and games from the mind of Autumn Hawk Percival. The name, Asphodel Press Incorporated, comes from Homer's *Ilyth*, "The Odyssey", and is a reference to the fields of Asphodel from Greek *Ilythology*. Our products are not for everyone and we encourage that at Asphodel Press Incorporated. Our products allow those who fit under this demographic to begin or continue their practice of shadow integration and explore the realm of psycho-traumatology. The products belonging to Asphodel Press are as follows: academic texts, booklets and shadow integration decks as well as video games and board games.

◆ Our Vision ◆

At Asphodel Press, we believe in creating material and digital products that enable the user to connect with oneself in a way that is portable, educational and fulfilling. Through our academic texts, booklets, and shadow integration decks as well as games, a new path to self-discovery becomes attainable. Our products are crafted for those who have chosen the path of mental stability which fosters an environment that allows one to connect to themselves and the world around them in a way that feels authentic to the user and without doubt, which can create obstacles instead of balance in one's psyche. Asphodel Press Incorporated is a brand for those who are able to keep the flame within their lantern bright despite the darkest of night and want to maintain it. Our Products are made for those who have an interest in psycho-traumatology and are currently seeing analysts and psychologists; these tools are created with the intent of utilizing them in between psychology sessions to continue one's maintenance of their psyche, which is why our goal for each product is to enable the user to work through psychological patterns safely and properly.
